“ *Aunt Bertha was a special aunt. She was so much like Crandma Chaney, hard working and independent. Know she is having the time of her life visiting with all of the loved ones she lost while here on earth. This is not the end for her, just the beginning! Her memory will be in our hearts for ever. Our thoughts, prayers, and love are with you during this great loss.*

“ Sorry to hear about Aunt Bertha.

She is truly in a better place, and is probably running all around, hugging Grandma, Dad, and all of the rest.

I have great memories of all of my Dad's sisters and family.

Even though she lived in Texas and I have traveled to many states, I would always hear about how independent she was, always walking, mowing her lawn, etc.

God is our comforter, and our savior. With him, all things are possible.

Our prayers are with you.

If you need anything, just call.

“ We loved our sweet Sister Bertha and will miss her, her sweet smile and her loving comments greatly. Mrs. Betty, you were so blessed to have your mother for so long. Our hearts and prayers are with you all. God bless you all, each and every one and may "the joy of The LORD be your strength" (Neh. 8:10)... and remember this promise in song: "When We All Get to Heaven, What A Day Of Rejoicing That Will Be." We WILL all be together again, eternally! Praise God!

“ Though Bertha will be greatly missed by all her family and friends, we must think of the great reunion she is now having with her her Lord and all of her family who had already passed this earthly life and made their home in Heaven. She has began living the eternal life we all our looking forward to. We will see Bertha again. We're praying for peace and comfort to all her family in this great loss.
