“ *I met Aunt Betsy through Janie Kelley and was quite impressed with her beautiful personality. I loved it when Janie brought her to our office and I really enjoyed my conversations with her. I really admired her "pink shoes," too. What a classy lady! I believe that all of heaven is delighted to have her at home now and she probably has a new pair of "Pink Shoes." May God Bless forever! Love, JoAnne Poncio*

“ *Aunt Betsy, I will miss you and your funny sense od humor. I loved to shop and go on trips with you. You will be in my heart forever. Thanks Janie and Shelia for letting her live her last few years having fun at The Friendship Center and The Gathering Place. She was not lonely and by herself. We will all miss her.*
