“ *Betty was such a beautiful person both inside and out. She had the sweetest spirit and didn't complain about her pain that was with her continually. Betty was such an endearing Person. She loved Jesus and exhibited that love to all. She is now in the presence of our Lord and she has no more pain. May God comfort you all and may you feel His loving arms around you.*

“ *Betty will always be someone who was part of my life when I first became a Christian at Trinity Baptist Church when I was a senior in high school. When I think of Betty, I think of her beautiful smile and her caring love for me. I will never forget her or Bro. Ansley.*

“ To Uncle Wilburn and the whole family,
We both mourn and celebrate along with you the amazing life of a dear and Godly woman. What an encourager and light she was. The pain she lived with for so many years wasn't able to stifle her joy or her calling. But perhaps most important of all, she made the best banana pudding in all creation. God was glorified in her banana pudding! And now she is experiencing that Glory, face to face! She always made much of Jesus by faith, but now she is celebrating Him by sight ... made perfect in His presence, laying her crowns at his feet! We send our love to you all, and trust that you will know His comfort in a way that draws each of you ever nearer to the Savior.
