“ *Loretta, Buddy, family, and Linda: The loss of a mother is always difficult. From what Aunt Babs has shared with me, your mom was happy and grateful for the love you all showed her. My brother and I will remember her fondly from the days when our two families lived in close proximity in Houston and the many Pennsylvania trips we all took together. May God's love and your memories bring you consolation. Love, Your cousin, Pat Lonchar*
