“ *Phyllis, my heart is broken to see that not only your mom passed away, but Mr. Callaway too =[! I was just thinking about them and decided to try to find them, but this was not the news I wanted to find. Our precious Huntsville neighbors. We have such amazing memories of riding the 4 wheeler over to visit. And we still have Skoobi, the border collie puppy that she gave Tye when he turned 2 =]. She is 12 now and sweet as ever. I remember your cute little weenie dog would sneak over to their house in the middle of the day to get some cheese, haha. I hope you are all doing well. Know we think about all of you often!*
