“ *I just wanted to say that we miss you very very much. Not a day goes by that you don't cross my mind, I thought it would get easier but it has not. The kids still remember you and so does Dylan he grabs your picture kisses it and sleeps with it. We love you and will see you again someday.*

“ I remember Betty from our school days and as my younger sister's close friend. She was a fun, sweet person. The picture I have of her in my mind is in the Waverly House when Joey was in a baby carrier! I know she loved her boys very much. God bless you at this difficult time in your lives.

“ May those beautiful yesterdays always remain in your heart, and your sorrow gently fade away. May you find strength in your faith, comfort in God's love, and peace in knowing your friends are praying for you. Remember, God will take care of you and will give you rainbows after the storms. I have fought the fine fight, I have run the course to the finish, I have observed the faith. -2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5

“ I was so sorry to hear of Bettys'passing. She and I kept saying we needed to visit, but regretfully we never did. So never put off till tomorrow what needs to be done today and always tell the ones you love how much they mean to you. I hope she knew how much I loved her.
