

Betty Gene Herlong

July 15, 1929 - July 4, 2019

Betty Gene Turner Herlong was born on July 15, 1929 in Marshall, TX to Marion Calloway Turner and Mary Alyce Gibson Turner and passed away on July 4, 2019 in The Woodlands, TX at the age of 89. Betty grew up during the Great Depression and was raised by her parents, grandmother, and her mother's siblings. She enjoyed taking piano lessons and worked as a piano accompanist for several churches, starting at the age of twelve. Betty graduated from Longview High School in 1945 as Class Salutatorian and received a Methodist Foundation Scholarship to attend Centenary College in Shreveport, LA. While attending Centenary, Betty majored in Elementary Education and enjoyed singing in the Centenary Choir, graduating in 1949.

Betty met L.K. Herlong, Jr. after he returned from WWII while both were enrolled as students at Centenary. They were married on March 24, 1948 and enjoyed 50 years of marriage before his death in 1998. For many years, L.K. worked in management for J.C. Penney. Their first home was in Bossier City, LA, before later moving to Alexandria, LA, and then on to Huntsville, TX in 1964. They joined the First United Methodist Church where Betty sang in the adult choir, directed the children's choir, participated in the Treble Aires singing group, and served as Chairman of the Committee on Worship.

Betty was an accomplished pianist and taught private piano lessons in her home to students of all ages. For over 10 years, she was a teacher for

Reading and GED for the Windham School District. Betty served as Chairman of the Fine Arts Commission of Huntsville and helped with the restoration of the art facades on the downtown buildings. She was also an active member of the DAR Society.

Betty will be most fondly remembered by her family and friends for her faith in God, service to her church, love for music, and her thoughtfulness, cheerfulness, and wonderful sense of humor. She showered her family with beautiful music each day in their home. Betty's special gift was music and she used it to glorify God in all aspects of her life.

Betty is survived by her children: L. K. Herlong, III, Dennis Herlong, Claire Herlong Meador and husband, Tom, and Scott Herlong and wife, Lea; and grandchildren: Adrienne Meador, Travis Meador, Aidan Herlong, Andrew Herlong, Ryan Herlong, and Nathan Herlong, all of the Houston area; her aunt Norma Weathersby Goulston, cousins: Harriet Whatley and husband, Owen, Don McCaa and wife, Janet, Chris McCaa and wife, Tina, Dennis Reed and wife, Patsyann, and their families; and numerous nieces and nephews. “ *There are so many memories that I have of Mrs. Herlong. We spent many hours together over a span of eight years in her home playing the piano and the harpsichord. I took lessons from her from ages 10-18. I clearly remember the sound of her sweet voice and smile every time I think of her.*

As to a specific memory of Mrs. Herlong this would have to be when we played a four part invention on two grand pianos on the second floor of Old Main Building on SHSU's campus. It was an unbelievable honor to be on stage with such an accomplished pianist and she chose me to play with her. You'd had to pinch me for surely this was a dream!

Mrs. Herlong has been such an inspiration in my life as a person and as a musician. I have been very blessed to know her and spend so much time making music together.

“ *Betty was our neighbor and taught my three girls piano lessons until we left Huntsville to live in Austin. She was a talented musician that gladly shared her talents with all her students. My girls loved taking piano lessons so much from her that I never had to tell them to practice. They wanted to please her so much that in fact I had to buy a timer so each girl would get equal time practicing her piano homework for Mrs. Herlong. We all loved her dearly.*

“ Betty was one of the first Huntsvillians who extended her special charm and warmth to me as a student at Sam. She was gracious and comforted a kid who was away from home for the first time. Blessings to the family.

*Precious Aunt Betty, Heaven bound and always in my heart across time. Comfort to my cousins L K and Dennis and Scott and Claire and families. Betty's piano work and drama are memorials. Also loved hearing her stories including anecdotes from her time as "their fearless leader" at Huntsville Ellis 1. Such a feisty lady with Southern charm!
