“ *My deepest condolences to all of you during these tough times. I love you all and you are all in my prayers.*

*To my Dad, you are my heart and I hate to see you hurting. I know you'll miss her and I'm blessed that you have my mom to help you through these times. One more trivial time to bring you both closer together because you both have something new in common.*

*I hope that everyone remembers the good times. She's with her love now where he was waiting.*

*God Bless her children and comfort their tears.*
