“ *Chris and girls...Les and I were very sorry to hear about Betty. I'm grateful that I got to see you at Bob's wedding with the whole family. I got to meet Betty before you and she were married and she was a very kind and loving person! You and your family are in our prayers and may God guide you on your journey ahead.*

“ *Dear Chris and Girls--We were so very sorry to hear of Betty's passing. There are not any words that can soften your grief or pain, but please know that you can count on your friends and family to lend support. We will never forget Betty's smiling face last summer at Bob and Missy's wedding when I appointed her as the stand in Mayor for the wedding rehearsal. We know that that trip up to Ohio right at the start of this painful journey had to be difficult, but we do hope that you made some beautiful memories too. We will keep you in our thoughts and prayers and don't hesitate to call on us if there is anything we can do to help.*

“ Chris,

So sorry to hear about your lose. I know you and the girls will miss Betty dearly. Our heart goes out to you. Can't imagine what you must be feeling. We have two granddaughters who are 8 and 11 and to lose their mother, would be more than we could handle. Hope that God guides you along with their future. Betty is at rest and no longer suffering.
