“ *I am saddened by the loss of Betty who fought to stay alive as long as possible. It was a painful battle, but Betty was an extraordinary woman. There were no strangers when Betty was there, I was proof of that awesome quality! Rest in the arms of Jesus now Betty, you are in peace! Love from Kat, a friend you made forever!*

“ *Mary and I are greatly saddened by Betty's passing. We first got to know Leo and Betty when Leo and I became regular partners in 1972 at HPD. Leo and I served together in the USMCR and HPD until we both retired from both and then at the HCSO for a short while. Along with Tommy and Mary Beth Wilson there were many USMC Birthday Ball's and other social events.*

Betty was a close and loyal friend. She was a talented artist and had a quick wit that made her so enjoyable to be around. Her positive attitude carried her a lot farther than those more pessimistic could ever go. Her faith in our Lord and prayer support helped her in this long battle that we all must ultimately loose.

She was blessed in having wonderful kids and grandkids and ultimately two good husbands that loved her dearly.

Our deepest sympathy to Rob and all the kids and grandkids. I hope that Betty and Leo and Allen are getting caught up on what's been going on.
