“ *I attended Trinity Public Schools with Betty Jean. I was very sorry to read of her death. She was always a good friend to all of her classmates.*

“ *It saddens me that the people of my youth are passing and they will be missed. I spent time with them when Jane and I were getting married. Uncle rusaw and Aunt Flora or also remembered from my childhood. My health will prevent me from attending any of the services, but I wanted to let the family know that they meant a lot to me and will be missed.*

I pray your health was restored. Betty was my grandmother, and it was sweet to stumble upon these memories. Thank you for sharing.
