“ My prayers to the family of Betty Tackett on her passing. I had the blessing of knowing both Betty and Charles. Betty was always there at the clerk office working and greeting people coming into the office. I remember her smile and willingness to help you soon as you walked through the door. We visited several times and enjoyed sharing memories. She will be missed by those that knew her.

I am so saddened at the passing of Judge Tackett. We first met in 1975. I was 15 & had gotten a ticket for running a red light. I only had a provisional license so I was required to have an adult always with me. I did not that day or the months before! Anyway, I was just going to pay it without my Dad knowing!! She told me "Hon, you don't need to pay this. You pay the \$10 class fee, get a certificate & we'll dismiss it so it doesn't go on your driving record!!!" So I did ... and she and I became very good friends through the years ahead! She had known my Dad as a County Commissioner before our meeting so they were already really good friends. I was blessed 🙏 with her being a special family friend for so many years! I send her daughters much love & strength through the sad days ahead!!! Love you , dear "Judge"..... 💕💕💕
