“ *May each passing day bring you peace and serenity, for God is our maker and He knows just how things should be. Keeping faith as your comforter and prayer as your guide, your strength will follow because it comes from inside. Inspiration will come too, from family and good friends, the memories live in the heart, never to end. For nothing is lost by death but eternal life is gained, there's a new life full of joy, peace, happiness and no more earthly pains. We know it will take time to heal, for sorrow brings forth pain, just say goodbye for now, cause we will meet again.*

*With deepest sympathy, please know that you are in our prayers.
Love, Trina & Delois*
