“ *Dear Otis, David and family, It was my priviledge to care for dear Billie the last few days of her illness. What a loving home and the care David gave was second to none. The first time I met Ms Billie, she smiled and told me "Hey sweetheart, thank you for helping me" Bless her heart, even as sick as she was, she was thoughtful and kind. Our thoughts and prayers are with you and we will continue to be available in the days to come. Sincerely, Tami Dees, RN, THEE HOSPICE*
