“ *My dear ones, I am thinking of all of you and praying for you. Your precious Daddy was a "one of a kind" faithful servant to God and his family. I know you will miss him terribly, but I also know that his health had failed and the quality of his life was not what we would want for him. All our love, Diana Gunnels and Tom Reynolds*

“ *Our heartfelt condolences go out to the Allen family. I know this is a bittersweet time for all you, especially Nina and Jeanne, as you have spent so many months caring for your parents. It must be of great comfort to you that he is at peace and rest in his new mansion with the Lord! What a blessing to know you will see him and your mother again!*

May the peace of Jesus Christ keep you encouraged.

“ All my love and prayers are with your family. Nina you all did such a wonderful job of caring for both your parents. It made my heart smile and cry to read your and Jeanne's posts and updates. I just love your writing Nina. Your faith is so strong I know you know your Daddy is with your Mother now and at peace. And they are both watching their family with pride at how wonderful all of you have become and how tender and loving you cared for them when they needed you most. I remember your parents giving me some of that loving acceptance when I was a teen. Your parents set great examples of what a parent should be, I'm proud to have known them and all of your family.

All of my love to all of you,
Cheryl

“ I loved my daddy more than life itself and I thank God every day that he gave me this incredible man to be my father for almost 71 years. Few are so blessed as this.

“ *Eventhough I left Montgomery years ago, I can remember Billy. He was a very soft spoken man and loved his family. I will keep all of his family in my prayers at their time of sorrow. Eventhough he has passed from this world, remember the good times now and in the future.*
