“ *Ray Jean, David, Chris and family.*

Rex was one of the coolest guys around, from his famous purple hull peas, collard greens and great chili to his business expertise.

He would call me at my office in Conroe during tax season and ask me to drop by and pick up the great food. we would then solve all the worlds problems at the dinner table-no committe was needed.

Rex helped me and a lot of others without hesitation and I will always remember him.

If Rex said he would do something you could count on him doing it. I am so sorry for your loss. He was definitely one of the good guys.

“ Ray Jean, Chris, David and family. It breaks my heart to hear about Rex. Since I moved to Houston Rex gave me work at Conroe Bandag while going to college and was like a father to me especially after dad passed away. I remember as a little boy going fishing with Rex and my dad together at the lake house years ago. Rex always treated me so good and I enjoyed just stopping by the house just to sit and talk ole times, certainly laugh about Hump, and bring him a new hat. I will miss him so much.

I just heard about this yesterday. I have been in Moab Utah all week and tried to make flights back to Houston but was too late. I am so sorry I cannot make the service being in Utah, but I will be there in prayer and spirit.

God Bless you Ray Jean and all the family. I am so grateful to know Rex and to be his friend.

“ Dear Ray Jean, David and Chris,
I am shocked and sadden to hear that Rex has left this world. Yet he is at peace with eternal life and waiting for you to join him. I have fond memories of his smile and he and the boys working at our park in Bluebell Estates. I still think of you all fondly as I pass the house you called home so many years with wonderful memories.
As a momument to Rex we still have the brick entrance as we enter Bluebell Estates!
Prayers and Love to you all, Sheryl Mueller

“ I am so sorry for the loss of your father. I will keep you all in my prayers. I hope you all remember that Mr. Flanagan would not want any of you to be sad. He would want you to think of the wonderful memories and moments and smile. He will be in your hearts always! God bless you all.

“ Mrs. Flanagan, Chris and David,
I was so sad to hear about Mr. Flanagan. I have so many memories of Mr. Flanagan from my days at WHS.
The Flanagan home was always a place of laughter and fun.
He was always so sweet to me and all of Davids friends.
He will be missed.

“ Ray Jean, Chris, David & family....so sorry to hear about the loss of Rex. He will be truly missed! Even though it's been several years since I last saw him at the lake house, it seems like it was just yesterday! I'm glad he was able to enjoy one of my meals for the last time not too long ago....if only I'd have known, I would have hand delivered it to him myself just to hear his voice one last time.

He's now resting in peace and we know he's celebrating with his whiskey in hand.

Love ya, Claudia
