“ *Montgomery will never be the same!!! I was heart broken to hear of the loss our dear friend Billy Wade. He was a all around great man that I really though was too damn mean to leave this earth. Words could never express what everyone is feeling. My heart goes out to Big Billy, Tracey, Rodney,William, Jeremy, and Susan. They have experienced so much loss in the last few years. Remember all the good times and live for that and the thought that we will see him again one day. All you have to do until then is look at William. He is an image of his dad from the word go. Billy will be waiting at the gates to welcome you all home to a place of no pain. What a place that will be. I can not wait. Until then RIP Billy. We love you and will miss you so much!!!*
