“ *Dear Robin,
I have thought about why I miss your dad. I knew him for a short time but he made me laugh. He made us laugh, I hope we were able to bring him laughter too. I will miss him. Dr. Seuss gave me Green Eggs and Ham, your dad gave me Grape Jelly and Scrambled Eggs.*

He was so proud of his family. My thoughts and prayers are for you, your family and for your Popsi.

*Sincerely,
Judy Adib*

“ *Dear Robyn,*

As you know, Billy and Doris were cherished friends of my parents. It began in childhood when our fathers met, into high school when both couples double dated, and meeting up as often as possible throughout their entire lives until illness made their annual reunions a thing of the past. I'm so glad I got to visit you in Waco and see your sweet parents on what would turn out to be the group's final annual trip. I feel especially honored to have witnessed such a true and long lasting friendship.

Billy expressed his desire to be with Doris just days before his passing. I know he his happy to be reunited with the love of his life.

Praying peace and comfort for you all,

Darcy Harris

I am just happy for him being reunited with his soulmate!! I am sending you a big hug & love right now, not knowing if I'll be able to make one of his services. You know my situation & it is only worse. I love you, sweet friend!! ;)*

It is with great sorrow I write this comment. I really respected and liked Billy McMillan. He was my Assistant Warden when I began working at the Eastham unit in '68. His management style was one to be emulated. He was one of those managers that realized the value of a good employee. I did not realize how much influence his supervision had on me and others until much later in my career. I looked forward to the Old Timers re-union each year in hopes for a chance to visit with him. Due to his health he missed the last 2-3 times. I stayed in touch through Robyn, and visited him once at his residence. Bless the family in this time of grief, and I join the large group of grieving friends, family, and associates.

"REST IN PEACE WARDEN"

Dear Robyn, Ricky and Family, I considered your Father a trusted good friend. When I was a young Warden, several of my fellow Wardens took me under their wings. Billy was one of them. I think of his stories, his laugh, his understanding, his loyalty and if he was your friend, he was your friend. I enjoyed our many phone conversations over these past many years which we had about every few weeks or so. I'm so glad we visited Billy and Doris last October after the TDC reunion. They were in good spirits and we laughed and had a good time. Billy was always fun to be around. I'll miss my friend but truly believe he is where he wants to be, with his soul mate. God Bless, be at peace. Respectfully, David Myers
