“ *Bob Pierson was my father. I am his oldest son, David. My father was the best petroleum Geologist in the stat of Texas. My dad was always fantastic with what ever he did. I was never told where or when he passed. For that I have always felt terrible. God bless him and all he did for his children (Linda, David, Mark, James,and Chris) My father was very proud when I joined the US Air Force in September of 1972. He and I wrote letters to each other for several years. God bless him for all he did.*

“ *My Dear Sandy and Family. We were so extremely grived to read about Bob. You and Bob have always been such special friends. God only knows the pain you are now in, and yet it is only God who can ease that pain. I can't imagine you without him, and I know you are feeling the same way. Please know we care. Much love to you and your family. Our prayers.*

“ I was saddened to read of the passing of Billy Bob. My condolences to the family. Our paths crossed in Toyah, TX., where our fathers worked for the T&PRR. My brother, JL, and BB played sports together at Toyah HS where my sister, Barbara, was their cheerleader. Eddy Ray and I spent many hours playing cowboys and indians.

“ We have known Bob for many years. We loved going to visit and being greeted at the door by Bob's favorite dog. We would go in and sit down and Bob was always on the floor playing with the dog. Bob and Sandy were such a highlight in our lives.

“ *Billy Bob was one of the best neighbors you could have had. He was always cracking jokes with me when I would go over to his home. He always had something good to say. He would share his life stories with me and we would sit out on his deck and just laugh. We are going to miss him dearly. Sandy please let us know if we can help in anyway. God Bless.*
