“ *Dear Uncle Bill,
I never had a Father growing up, but I sure had some role models and although I never said it, You were one of my best. If I ever become half the man You were, I'll be blessed. You gave me the two greatest cousins a guy could ever have & for that, I'm grateful. There are so many things that I've always wanted to say to you, but the one that sticks out is that you never knew how much our private conversation before my mother's funeral meant to me. So rest in peace. I know in my heart that my Momma is waiting to greet you. And for this one last time, "Bye Unk. I love ya like family". No, the truth is, I just love you.*

“ God speed to a wonderful supervisor , teacher ,friend and mentor. You taught me so much about the job and the way to do my job fairly . You slowed me down when needed as well as kick me in the pants. You earned the title as Dad to all that worked for you and it was well earned. You talked to me and many others about personal things behind closed doors. In doing this you set the bar very high for supervisors to follow you. Rest in peace BR for your job on the earth well done.

“ *Aunt Eunice, Kathy and Cindy,*

I love you all and I'm so sorry about uncle Billy. He was a strong force in my life until we moved to Kansas. He was a man who demanded respect but had no problem returning it. He should be the poster child of raising kids these days. People could learn a few things from him. I know his legacy will live on in the lives he touched. We all knew when Uncle Billy told you to do something, you did it. Tami, Beth and I never had a dad to call our own but he sure didn't mind stepping in anytime we needed him. THANKS UNCLE BILLY!

Love to you all,

Susie

“ I am very sorry to hear of the loss of Mr. Rogers. I see that he has attained many unique distinctions while working in his careers. He was an amazing man. I won't pretend to know what you're going through, but what has helped me deal with the loss of those I love is turning to the Scriptures, something that has been a real source of comfort. One Scripture that gives me hope is Isaiah 26:19, which says, "Your dead will live... Awake and shout joyfully, you residents in the dust! For your dew is as the dew of the morning, and the earth will let those powerless in death come to life." I hope that this verse will also comfort you and; I hope you and your family can get through this difficult time. Please accept my condolences for the loss of your beloved husband. Sincerely, Meryl.

“ To: Billy "Dad" Rogers;
Rest in Peace, my beloved adopted dad! The love, the respect and the advise and laughter we have shared, will last for eternity. The pranks from both of us, towards each other are still are fresh in my memory. I still laugh so hard, it brings me to tears!! So many hours around the deer lease campfire with everyone around, warms my heart. You are at rest now and we, your family will take care of mom. Just as, you have taken care of us! and btw; It really was a BIG, BIG BEAR!!! Love, Your Hollywood Hunter!

“ *I am so blessed to have had Dad in my life. He not only had a huge impact in my life, but many others. I had the honor to to work with him and for him for many years. Although, he was a man of few words, he was the definition of a true man, and leader. So lucky I got to spend good quality time with him in his last days. His job is done on this earth, and was a fine job at that.*

“ *Rejoice for God has promised entry into heaven for those who believe in Him. Billy was a son, a husband, a father, a grandfather, and great grandfather. He was a co-worker, a mentor to many. He was respected. Memories can be cherished forever as they will never go away. I pray that God eases your pain during a most difficult time. You will smile again, especially when cherishing those memories. Take time to mourn the loss, but celebrate the life !!*
