“ *Charley just learned of this on the internet and called me and sent me the link. I was saddened to learn of Billy Ray's passing. He was such a kind, friendly person--all his life. He and I sat together at the hospital with Juanita and I am grateful we had that time together. He and JR were Charley's buddies and very special to my entire family. To each of you who loved him, my thoughts and prayers are with you and I know he will always be with us all in our memories. I can just see that broad grin and quiet manner of speaking he had. May God bless each of you. Jean dR7ab*

“ I couldn't have asked for a better brother. I have always heard that about the best thing you could say for a man was that he truly loved his family and that he was just a good man. He certainly deserved those words . I will really miss him,for juyst a little while,then I'll see him again.Loveya,Bro.

“ I pray that God will give your family strength during this time. No words or any amount of condolences can give the lasting peace that the Father can give, and I pray He blesses the Slaydon family with that comfort right soon.

“ I send my deepest sympathy to you, for I know you have lost a very special person. BillyRay was my friend, from the very first time I met him in Johnstown. He had came in there to shoot the bull with Doug, and we met. Often on his visits to the store we would laugh and tell each other stories on Doug short comings. I'm grateful for the opportunity to have had such a great person as my friend. Friends,
