“ *Good ol Bill...stormed into the Conroe area and made an immediate impact. Such a positive and outgoing spirit. Outdoorsman, sports of all kinds....he was a guy's guy. Us Conroe folks were a bit laid back, quiet and didn't know what to think of such a high energy guy like Bill. But he rubbed off on uss and we were all better for it. I considered him a good friend and hoped he felt the same. When hearing of Bill's stroke I couldn't believe this would happen to such an upbeat guy but I know Bill had found happiness with Pam. Miles, years and health separated us but upon hearing this news I find my fondness and love for the boy still remains. RIP Buddy*

You all are in our hearts and prayers. I know
your faith and your loving family will help you
through this difficult part of life.
“Imagine going from a world in which you have
suffered and into a kingdom in which you are
loved perfectly and all pain is banished. Imagine seeing God face to
face and filled with joy, Finally, you are home”

DS

Billy Don York is my best friend. He graduated from SOC in 1965 and myself in 1967. He was best man at my wedding. I was best man at his wedding with Yvonne Samples. We cursed Dallas area in his 1967 Canary Yellow Ford Mustang Convertible and his Silver SS Chevy. We fished the spillway near his home and hunted quail at my parent's place. Very handsome teen and young man, great personality. He was fun and very funny. True to his friends and one of a kind. Lost touch with him during Vietnam War. I have found him now after 50 years of searching. Love him and may God bless his soul, family, and friends. Danny Spradlin, Temple Texas spradlindan@yahoo.com
