“ *I've been an acquaintance of Billye for a few years and was blessed to bowl on a team with her last fall and spring at Time to Spare in Cutnshoot. She was always a delight to be around and even though she was experiencing medical and physical problems she always had a smile on her face. I'm going to miss you, but I know you're in a better place and finally out of pain.*

“ *Aunt Billye Ann was a bundle of joy to be around. She always had a smile on her face, was soft spoken, and thoughtful. Aunt Billye Ann loved all animals. She even had a pet skunk!*

*Aunt Billye Ann was always there for my mom and her family. She was so welcoming when we would come to visit her. Whenever Mom was down on her luck, she was there. Aunt Billye Ann took care of family with all the love a person could give. She thoroughly enjoyed spending her time with family and friends. She was a good hearted person that spread her kindness to many. I felt a deep love for her and will miss her more than words can express. Debbie*

*I'm so saddened to hear about my sweet friend, Billye. We first became good friends when she and Bob moved to Huntsville. We both had lost our sweet pets and soon found new ones at the same time...Barbie and Sophie. We got together on several occasions to play games, especially Texas 42. Billye was a pro that was helped our team to win often. Billye was a very kind and caring person who brought joy and laughter to everyone she knew. She will be deeply missed by her family and close friends. Love you Billye, Your friend, Karen!!!*
