“ To Tom, David, and Bobby: So sorry to learn of your mother's passing. She is remembered as one of the most friendly, generous, and welcoming persons I have known. She was a true asset to the elementary education program at SHSU when she worked as our secretary. The students loved her personal interest in each one. She was also one fantastic baker--the best cakes in the world. I know you will miss her but there is no doubt as to where she is now. You can also know that her family was the joy of her life.
