“ *Bobby was one of the best supervisors I had the pleasure to work for in my career. God puts some special people in this world to guide us and Bobby was one of them. I highly respected Bobby and appreciated his guidance while working with him in Angola. God bless Bobby and the family he leaves behind.*

“ Theresa, William, Robert and family,  
My heartfelt condolences to you all. I have such fond memories of Bobby from the time I met him when he first moved to San Tome in the fifth grade. Even though I didn't see much of you over the years I have always felt a closeness and considered Bobby a dear friend. He had such a unique personality and wit and will be missed by all who knew him.

Love,  
Suzie

“ Bobby was a visinary when it came to oil and gas production operations. He knew that it took good leadership amd a core group of good knowledgable dedicated people. Bobby always demonstrated his commitment to incident free operations as well as being a good friend with all he worked with. I consider it a great privilage to have worked with him over the past 27 years.

Best wishes to all of his family and friends in this time of loss.
