“ *Cheryl, I am so sorry for your loss. I know how much a part of you Bobby was. I only got to meet Bobby a couple times and am sure he will be truly missed by many. Heaven is only a little sweeter now that he is there though. You and your family will be in my prayers. Love you ..Laurie (Lollie)*

“ Bobby, I'm truly missing you already. When you would sit me down to have our talks you would say, "I know I'm not your father." Truth be known, you were more of a father to me than you could ever know. During some of my most difficult times in life it was you who I leaned on. You were always someone I could depend on. ALWAYS!!! I have been so blessed to have you in my life. God put you in my life because I needed you, and I'm so so thankful that He did. You are a true hero in my eyes. I'm not ready to let go of you, but rest assure, you have made an impression on my life that I will forever cherish. You will always be a part of me. I love you and thank you so much for everything.

“ Teresa and I (Yvette), send our condolences. Bobby was indeed a diligently hard working man! Now, as Bobby lay peacefully in the Heavens above, rest assured Cheryl he has an eye on you and maybe once in while....discreetly playing a bit of "Duck duck goose!" Family love and time will be your healing process. Think for a moment just how lucky he is. Bobby will indeed have all his family by his side at all times and one by one, each will come to rest in peace with him collectively. Bobby, you were the only grandfather my beautiful daughter had come to know, thanks for being you and allowing Teresa to know how well she was and will continue to be loved by you~ Rest In Peace...no more sheetrock
