“ *Mellicent,*

I have also experienced the loss of a loved one (both of my parents and my younger sister) and the grief and the sorrow. But I have also experienced the love of God and the comfort and peace that passes all understanding. I am praying for you and your family.

“ My heart goes out to you, Mellicent. My mom and dad were married 29 years, when he was killed in a car accident. I was 13 at the time. My mom never remarried, because I can honestly say that my Dad was, if nothing else, an original. Their marriage was not always the greatest, but for some reason, they stuck it out through thick and thin. They were not quitters, and they passed this outlook on to me. My husband and I have been married for 31 years. As for me, I seldom go a day without thinking of or missing my Dad.

You and Bob had many years together, had beautiful children together, and made a life together. A purpose-driven life, to be sure. God's purposes at work.

You and your lovely children will remain in my thoughts and prayers. I pray for your rest and healing.

Love,

Becky Hart

“ I did not know Bob Sr. personally. However, through his lovely caring wife, Mellicent, and his intelligently crazy son, Bob Jr., I know Bob Sr. was a good man. I do, though, have first hand experience with the Jr's painting talents, which I know he got from Sr. Excellent work.

Mellicent, there seems to be no words to express the significance of your loss. Just know I am sending heartfelt thoughts your way.
