“ *Becky, Stephen, Donald and Teri, Your Mom was a fantastic woman and very dear to anyone who came in contact with her. I admired her and her wisdom so much. I loved talking with her, because she would tell you like it is, just like Becky. We will just have to keep her faith and strength going, like she would want you to. Love all of you.*

“ *My condolences to all, it' hard to focus on a life without your beloved "Granny" and my heart goes out to all of you. I had the pleasure of knowing her, only for a short while but came to respect and like her, she was kind, thoughtful and had always a kind word for everybody. May she rest in peace. Edith*

“ *May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. I have fought the fine fight, I have run the course to the finish, I have observed the faith.-2Timothy 4:7. As for me, I will lie down that I may sleep; I shall certainly awake, for Jehovah himself keeps supporting me. -Psalms 3:5*
