“ *Bonnie and I were childhood friends; apart for 30 something years due to our marriages; reconnected again and attended church together. She was my pal; sat by me in church. When I first came back to PPFWBC, she said come on up here (to the front) and sit by me. We did all the time after that until she was no longer able to attend. Bonnie: You were a wonderful and dear friend to me. I shall truly miss you; but I'm happy for you too. To you, her family: its such a loss to lose your Mother..and for that, I grieve with you. She loved her family; and I know you all loved her. May you find peace in knowing that she is with Jesus, getting to talk to him , just the way we talk to each other here. I believe that. I hope you do too. With love for all of you....I am your friend. Faye.*
