Bradley "Brad" Hutton

April 26, 1978-August 27, 2025

Brad Hutton, 47, of Willis, TX, passed away on August 27, 2025, leaving behind a legacy of love,

laughter, and dedication that touched every life he encountered.

Born on April 26, 1978, to Myles and Nita Hutton, Brad grew up with a heart full of joy and a love

for family. In his younger years, he enjoyed playing tennis, often spending cherished time on the

court with his mom. Throughout his life, he remained deeply connected to his parents, treasuring

the bond he shared with them, especially the closeness he and his father built in

recent years.

Brad was a devoted husband to his beloved wife, Lawanda, and a proud father and stepfather to

his children; Caleb Hutton, Kyle Hutton, Katelyn Hutton, Bradley Hutton, Paisley Rose, Kinsley

Paskett, Abigail Randall, Rainey Randall, and Nicholas Randall. He is also survived by his parents,

his sister, Kate Castleberry, his brother-in-law Michael Castleberry, and his nephews, Henry and

Myles Castleberry. His family was his heart, and he loved them deeply. Brad dedicated his life to hard work and loyalty. He was a proud member of the HydroClear team, where he worked tirelessly and found joy not just in the work but in the people he worked alongside. His coworkers--more like family-- remember him as someone who made every job site brighter, every challenge lighter, and every day better. His boots were always muddy, his work truck always ready, and his spirit always eager to give his best to his teammates. Brad was not just a coworker; He was a brother and best friend. He loved music, and absolutely had the gift of making others smile. He always had a joke to lighten the mood. His impact will forever be remembered by all who were blessed to know him. Brad's life though lost too soon, will always be remembered as a man who lifted those around him. His love endures in all the hearts of his family and friends, and all who had the privilege to know him.
