“ *Christina, I am so sorry about your tremendous loss. Brad and I went to high school and reconnected via email prior to our 20th high school reunion a few summers ago. He shared that he wouldn't be in attendance but was so excited to share he was married to his "soulmate" and he would be a father soon. I have many wonderful memories of Brad and am extremely saddened by the news. Feel free to contact me and I will be in touch with his parents. My deepest condolences to you and your daughter.*

“ *Christa and McKenna, I don't have to tell you what a special person Brad was. We got fairly close when he was doing some work for us here in the SAM Center. He was such a blessing to everyone who knew him. We rejoiced and bragged to each other about his McKenna and my children/grandchildren, and he was so proud of his "golf course". I will greatly miss our little chats we used to have when he would drop by for a quick visit. May God comfort you in this time of sorrow.*

“ I'm so, so sorry for your loss. From the number of prayer lists that your family is on, I can tell how much Brad meant to so many people. You and McKenna will continue to stay in our prayers. God bless you both.

“ Christa and McKenna,

I am so sorry to hear about Brad's death. In all the dealing I had with him here on campus and when I was in the Peabody Building he was always funny, helpful, and never stopped talking about his wife and his daughter. He was very proud of you and your daughter. His face would light up whenever I would ask about you and McKeena and did he have any pictures to share.

I found in him a kindred soul who also loved the rock group Journey and other remembrances of us "over 40 and under 50" baby boomers.

I will keep Brad, you and your family in my prayers has I have since I found out he was illness and death.

“ Dear Christa and McKenna, My thoughts and prayers are with you and your family. Although our meeting was brief in Bryan when I witnessed your paperwork, I could feel that there was such love between Brad, McKenna and yourself. I'll remember Brad in his Oregon baseball hat. You will always have your memories. Once again, you are in my prayers.

“ Christa, I just wanted you and McKenna to know that my thoughts and prayers are with you and Brad's family at this time. I know Brad fought long and hard and he was a champion in this battle for his attitude and we will certainly miss him at First Presbyterian.
