“ *I have known Brandi for something close to 10 years when she and Holly first joined the 4-H rabbit club. Everytime I saw her I would say "hello there brat" as I would to most of my "kids" and I'd pop her on the behind like she was one of mine. Brandi had grown into such a beautiful young lady. I can't imagine the pain you are going through but just know that I am there for all of you. Brandi will always have a special place I know - not only in my heart but Matt's. We love you and you are in my thoughts and prayers.*

“ Dear Brown Family, we were shocked to learn of Brandi's passing. We met her about 5 years ago. She was so outgoing and full of life. She was in our daughter, Sara's, class, so we watched her turn into a fine young woman during their high school years. We ask for God's peace and comfort for you during this sad time in your lives.

“ *Stu and Tamera,
Our hearts and prayers go out to you and your family. Words can not express how we feel nor how you must feel at this time. Our memories of Brandi are that of how wonderfully accepting she was. How she and Frederic got along so well and how she invited him to the high school dance and they wore matching t-shirts. Frederic had such a wonderful time. She was so sweet to take both Michael and Merrilee out on her horse and payed special attention to Frederic as he sat on her horse. (He had never done anything like that before in his life.) Thank you for sharing your daughter with us and giving her the confidence to express herself in such possitive ways.
All our love.

“ Dear Brandi's Family,

Wow this has been a huge shocker to everyone. It still hasn't sunk in yet. Im very sorry for your loss and i will never forget her. She was one of my friends since 4th grade. We always got mad at everyone because when someone said Brandi we didnt know who they were talking to. So Brandi decided to go by Lynn to make things easier for us. Those were the good days. Happy Memories i will never forget. Well i just want you to know that i am praying for your whole family and i know God will guide you through this. I Love you guys.

“ To the Brown Family, there is something a preacher once said during a sermon and I felt it was fitting at this time. Think of death as The Lord needing to fill a bouquet of roses. There are buds, roses beginning to blossom, and those that are fully bloomed. Brandi was not a bud or the ones fully bloomed. Brandi was the rose that was just beginning to bloom. The Lord must have needed her to fill his bouquet. God Bless you all and our prayers are with you all.

I have waved at Brandi when bringing Holly home. We have enjoyed having Holly visit our church on many occasions when our youth meet. Our hearts are breaking and we have been praying for strength and comfort for you all. May God hold you in His hands as I am sure He is holding Brandi at this moment. Our little Chelsea has been heart broken for you all as she and Holly are "best buds" for sure. Erica has lost a dear friend in Brandi. Holly is like one of our very own.
