

Braylee Faith Wells

March 31, 2012 - December 28, 2015

Braylee Faith Wells

Braylee Faith Wells, 3 years old, was granted her angel wings on Monday December 28th, 2015 at 7:48 am. She was born on March 31st, 2012. Her final days were spent surrounded by family and friends that Braylee had touched in some way throughout her short life.

Braylee's smile melted the hearts of those around her and though she never spoke a word, her voice could be heard by looking in her eyes.

Braylee possessed strength, perseverance, and an ability to overcome incredible odds and physical challenges. With her courage she led us to believe that every day is a blessing and an opportunity to create lasting memories. She loved music, especially the praise band at Covenant Fellowship, wind chimes, and the sounds of laughter from her brothers. She would turn toward the sound and give her big contagious smile.

With Braylee's passing we remind others that her life is one to be celebrated. We will miss her dearly everyday but she will remain in our hearts forever. It has been a privilege to be her chosen parents, grandparents, brothers, uncle,

aunts, and cousins.

Braylee had many wonderful caregivers that provided love, support, and dedication. Dr. David Prier & staff, Texas Children's Hospital, Believe Therapies, and HISD Special Education therapists.

Braylee is survived by her parents, Joshua & Michele Wells and brothers, Kendle & Karter. Also brother/cousin Wyatt Plagens. Grandparents, Diane Plagens & Mark Ridenour, John & Patti Wells, and Larry Horstman. Aunts, Jessica Burns Kelley and Leah Wells. Uncle Caden O'donnell. Cousins Dakota, Brecken, and Ayden. Many extended family & church family members and a very special person, Hedy Weimmer.

Visitation will be Wednesday Dec. 30th from 4-8pm and Memorial service will be held on Thursday Dec 31st at 10am at Sam Houston Memorial Funeral Home in Huntsville, TX. Burial will follow at 1:30pm at the Kurten Cemetery in Kurten, TX.

Full obituary may be viewed and memorial condolences made to the family at www.shmfh.com.

“ *I'm so sorry you had to lose this beautiful daughter. I know the hard place in which you now stand, having lost two sons. Please accept my prayers that God gives you the comfort and peace that only He can give. Braylee is in good company in Heaven. She will play with my son, Bryan, who was 4 when he passed and she will be held by my son, John, who was a Daddy here on earth to 2 of his own babies. She is also being held in the arms of Jesus, which I know isn't as comforting right now as it should be, and that's o.k.. The arms you really want her in are yours, this I know, as that's exactly how my heart felt when my boys left this earth. Many of us are praying for you, many of us have stood where you now stand.*

Don't think he sent me to you and then changed his mind. You see I am a special child, I am needed up above. I'm the special gift you gave Him, a product of your love. I'll always be there with you, so watch the sky at night. Look for the brightest star and know that's my Halo's brilliant light. You'll see me in the morning frost that mists your window pane. That's me in the summer showers, I'll be dancing in the rain. When you feel a gentle breeze from a gentle wind that blows, know that it's me planting a kiss upon your nose. When you see a child playing and your heart feels a tug, don't be sad mama that's just me giving your heart a hug. So Daddy don't look so sad and mama please don't cry I'm in the arms of Jesus and he sings me lullabies!* ”

“ Love, hugs, and continuous prayers to Michele and family! No one can truly understand the grief and the hole that is left in your heart from the loss of a child, except other parents who have lived the same nightmare. I am thousands of miles away, but I am here for you Michele. I do unfortunately understand your pain. Braylee was a beautiful girl here on Earth, but now has a perfect body and is even more beautiful as a Heavenly angel! She and Alexis are running and playing together in God's playground! Think of the little girl chitter chatter going on Up there and all the years of talking our girls had to make up for! I am sure they are having a ball together.
