“ *We weren't close friends, but the kids in Shenandoah all hung out with each other—especially those on the swim team. Brenda was always a vital part of that. I do have specific memories of hanging out with Brenda. A few weeks ago, she reached out to me to see if I had photos of a friend from the neighborhood. She was putting together a lifetime scrap book. From what I could see from her interactions on social media, she had grown into a loving, devoted, special Christian woman, wife, mother, etc... I know she will be greatly missed. You have my prayers for God's grace, mercy, and peace. —Shannon Phillips*

“ *Brenda, you are such a guiding light to so many people. Always giving to others and making sure that they felt your love and kindness. Our friendship over all these years has been such a blessing to me, a friendship that you always kindled. You are the epitome of a truly good person, your selflessness evident in everything you did. My dear sweet friend, you will be missed.*

“ *Dear Hatfield Family,*

We are so shocked and saddened to hear of Brenda's passing. She was a beautiful person and was so good with all of Dallas's teenage friends, our son Zach among them. She always had a smile for everybody and will be missed dearly. Your family is in our thoughts and prayers. May God comfort you at this difficult time and give you peace knowing she is in His arms.
