“ Dearest Janie and Sarah,
This was a great shock, I have been praying constantly for both of you. I didn't know Butch that well but I remember how he corraled all the dogs whenever I came over to the house. He always had a big smile and made me feel welcome.
The day you called, I was at work and my Mother, who is not well, and my brother, who had just served his wife of 33 years were at our home. I was stretched and I didn't get to the hospital as I should have. For that I am very sorry. I should have been there for you. Michael did a wonderful sermon, one from his heart, he knew Butch well. It was a great tribute full of warm, wonderful memories.
But....Sarah, what can I say. I know your Dad was listening as you honored him. He couldn't have been more proud. You have grown into a wonderful woman that is such a positive contribution to our weary world.
God Bless you both, I will remember you in my prayers each and every day.
Love,
Ava and Al Spell

“ To the Scarborough family,

I grew up on Hankamer around the corner from where you all lived in the 60's. Bruce, Doug and Steve were friends of mine, especaily Steve. We ran together for several years. I even doubled dated with Steve and Butch a few times. Doug helped me many times after we grew up and was a good friend. I am sorry to hear of your loss. I did not know Steve and Lorna had also passed away. Please accept my sincere condolences.
