“ No matter what Bryce was going through he ALWAYS had a smile on his face or at least make the best of the situation. Thank God I seen him for a short time about a week before this tragedy. Bryce you will forever be missed. R.I.P fly high baby boy

“ I have so many good memories of Bryce. He was such a character. He wasn't afraid of anyone or anything, and would stand up to anybody if he thought it was for the right reasons. If he called you a friend u could depend on him to have your back and he loved his kids more than anything else. When I think about Bryce, I always smile and think of the time he came by around 1 pm on Monday and visited with us and said alright man I'll be back at 5 no BS 5 o clock, and two days later at 5am woke us up ! I was like well you did say you'd be back at 5 ..He was never on time .. I will miss him dearly as will my entire family . His memories will always bring a smile to my face followed by tears of sadness for his loss. We are so upset by this senseless tragedy. He didn't deserve this no matter what bad he'd done throughout his life. My prayers go out to Stormi and his kids as well as Braxton and his mom. I can't imagine what y'all are going through..... RIP Bryce Carnes we love you Fly high my friend
