“ Becca, my heart is broken for you, Patrick and your families. You are all in my thoughts and prayers during this unbelievable hard time of your lives. I love you Becca, and it hurts me to know what you are going through. God has a plan for all of us. Phil and I lost a baby boy in 1984 and a baby girl in 1985, and the pain did not go away until we adopted our son in 1987. Hug each other and feel the love of your friends and family.

“ There's a special Angel in Heaven that is a part of me. It is not where I wanted him but where God wanted him to be. He was here but just a moment like a night time shooting star. And though he is in Heaven he isn't very far. He touched the heart of many like only an Angel can do. I would've held him every minute if the end I only knew. So I send this special message to the Heaven up above. Please take care of my Angel and send him all our love.

“ Oh sweet Becca. I am so very proud of the young woman you have grown up to be. My heart is broken for you and Patrick and your respective families. No parent should ever have to bury their child. I never had the honor of meeting him, but seeing daily pics of him with all of you made me smile. He is absolutely beautiful. There is nothing I can say or do to lessen the pain. Just know that you are all in my thoughts and prayers.

“ Sending you hugs and prayers in this very difficult time. Please know that Bryson was a joy to people that didn't even know him.

My days were made better sometimes but a simple post or picture that your Mom would post. Just looking at that sweet little boy made the day brighter.

*You and your family are in my prayers. I know Bryson is now a Guardian Angel watching over you.
FLY FREE Sweet Bryson.*
