J,

“ Dear family, please except my heartfelt condolences and words of comfort. When a loved one passes the grief and pain can be unbearable. We can always turn to the primary source of comfort our Heavenly Father Isaiah 51:1,2 “I myself am.the one comforting you “. Pour out your heart to him in prayer concerning your personal grief.

He gives us hope that soon instead of having to “weep with those who weep all earths inhabitants will be rejoice with those who with rejoice” . Romans 12:15.

May your loving family find comfort and peace in the memories that you shared 🇺🇸

“ *Byron, I can't begin to explain how I feel. While I am saddened of your passing I know you we're suffering. I can't help but smile when I think of riding around with you in that Dodge Colt and we decided to take it mudding after we put old beer in the cracked radiator. Or you holding my feet while I was doing keg stands on my 21st birthday. Love you and I'll see you again one day.*
