Troy and Kristy were both graduates of Huntsville High School. They were high school sweethearts and joined in marriage on May 28, 2000. They were both successful people, Troy working for Wiesner for 10+ years and working on getting his degree as a Physician's Assistant. Kristy pursued her passion to teach and earned her degree from Sam Houston State University. She became a 4th grade teacher at Stewart Elementary. The truth to Troy and Kristy is they were all about their two precious children Cameron and Kara Beth. They were their pride and joy. Family was everything to them - they were the true "All American Family". The four of them completed each other. Cameron was a true athlete, shining in football and baseball, but loved the outdoors, hunting, fishing and wakeboarding with his Daddy. Kara Beth was a true princess inside and out! She loved dance, cheerleading and being a Girl Scout. She always had a smile on her face and a song to sing you. Kristy and Troy were truly blessed with two precious angels from God. Troy was preceded in death by his grandfather, Meddie Lanoue and joined in death with his mother, Julia Lawson. He is survived by his father, Terry Lawson, Sr., sister, Jacki Dawson and husband Thomas, brother, Terry Lawson, Jr. and wife Jill; nephews and nieces; Thomas Dawson, Jr., Sarah Dawson, Emily

Dawson, Tristan Lawson, Blake Lawson. He is also survived by his grandmother, Inez Lanoue, aunts; Sandy Vinnedge, Barbara Armstrong, Teresa Lanoue and uncle, David Lanoue. Numerous relatives from Indiana and other family and friends also survive. Kristy was preceded in death by grandfather, Marvin Lee Bartee. She is survived by her parents; Susan and Bonner Hooser, sister, Shannon and husband Ted York, brother, Trent and Kelli Hooser, nieces and nephews; Kealy York, Layne York, Joe York, Rylee Hooser and Vivian Hooser. She is also survived by grandmother, Sue Bartee Diehl, uncle, Wayne Bartee and family, Rosemary Bartee and family, and two great-uncles. With the two precious children, Cameron and Kara being joined with their parents they are survived by the same family members. Troy and Kristy and the family have many other survivors, Johnny Sullivan and Tanna Sullivan along with many cousins, and other family and friends. Services will be held Saturday March 14, 2009 at 10 AM at University Heights Baptist Church with Pastor Jason Bay officiating. Interment will follow at Pine Valley Cemetery. All services are under the direction of Sam Houston Memorial Funeral Home. Serving as pallbearers for Kristy will be Joe Tyler, Quinn Ashworth, Steve McKenzie, and Jeff York, in addition to the Huntsville Fire Department and Walker County EMS. Pallbearers for Troy, Cameron, and Kara will be the Huntsville Fire Department and Walker County EMS. Honorary pallbearers are the Huntsville Youth Football League. The family received friends Thursday evening at the funeral home. In lieu of flowers, memorial donations may be made to the "Lawson Family Benefit Fund" c/o First State Bank, P O Box 478, Huntsville, TX 77342. “ *Cameron...you will be missed by all. Your smile was infectious and your sense of humor was a "pick me up" after a long day. I remember the times you spent in my room with Cole playing on the computer and riding skateboards and rip sticks after school. He will miss you greatly. Heaven is blessed to have a new beautiful angel. Our family will pray for the peace and comfort that only God's love can bring.*

“ Cameron, I keep telling myself that it can't be true. I just keep thinking about last week at the park with you and Kara beth kicking the ball around with me and Lucas. I keep thinking about the big pile of fire ants you sat in and me frantically dusting off your pants and shoes. I think about how you loved flying the toy helicopters with Brad that day. How you always tried to make people laugh and find the humor in things. You were a wonderful big brother to Kara Beth. It was great having you at Tomorrow's Promise after school those few days you spent with us. I will always remember your smile and your infectious laugh. I know you will look after Kara Beth in heaven. I love you kiddo. You will be missed greatly, but not ever forgotten. May God hold you and keep you in his arms. May God bring comfort and peace to your family and friends in this time of great tragedy.

“ Cameron was such a smart guy! I will miss seeing Cameron and the boys playing together after school, and riding those rip sticks everywhere. I know Layne and Joe will be very sad without their best buddy Cameron around. The only comfort is that Cameron is with his family in the arms of Jesus.

“ Cameron - I'm so glad we had that special time to visit after school on Thursday. It means so much to me now that we had such a nice talk. You have forever left an imprint on my heart. Since the first day you walked in my Pre-K class at Stewart, I knew you were going to be one of those bright, energetic children that can give me a run for my money - and boy did you. As a pre-k teacher, it's hard to be challenged by your students sometimes, but you did that for me. You were so smart as a 5 year old that I was always having to find other ways to challenge you. I thank you for making me a better teacher. Your personality shined then and it's something we all still remember today. You had such a wonderful personality and outlook on life. There was NEVER a time that you weren't trying to bring humor to someone's life. I loved that about you. You made all of us so proud and we are all better people for having known you. We love you!!!!

“ Cameron was in my first grade class a mere two years ago. I still remember his smile, his laugh, his energy and his brightness...he was one of those students that I knew I would never forget. He was a friend to everyone and he could always put a smile on everyone's face. He was a very intelligent boy with a lot of potential. I know he will be greatly missed by everyone he ever came in contact with. I pray God brings peace and comfort to his family in these hard times. Everyone who was affected by this is in my thoughts and prayers.

“ Cameron was such an enthusiastic and energetic child that will be  
missed dearly. He was always eager to get out on the football field  
and encouraged his team mates. He taught my son James many  
things including how to play football and what a true friend really was.  
My thoughts and prayers go out to the family and if you need  
anything please let us know. Your family is one that will be missed  
greatly but will not be forgotten. Cameron's family was a big part of  
the H.Y.F.L. family and we will do what we can to make sure that  
this family is taken care of.

“ Cameron I will miss your frequent trips to the library and your  
willingness to help other students who needed you. You were such  
a bright student and always looked forward to a new Magic  
Treehouse book or anything I recommended to you. Stewart won't  
be the same without you and your family.

“ Things in my classroom will not be the same without Cameron. He was in my class before school and also stayed with me after school as well. He always loved helping out and he even taught my son how to ride his rip stick. They rode up and down the hallways and loved seeing how fast they could go down the ramp by the buses. You could always hear how much fun they were having about a mile away! Cameron could always make my class laugh and keep smiles on all of our faces. If I was having a bad morning, I was never in a bad mood for long.....Cameron would always change that by saying something to make me laugh. Just last week he had flowers waiting on me in a vase that he made in art. He was always very thoughtful like that. I do have comfort in knowing that Cameron is in heaven with his parents and sister now. I know that one day I will get to see him again and spend eternity with him and his beautiful family in heaven. All the families and friends involved are in my prayers and I hope that God brings everyone peace and strength during this time of loss. Through God ALL things are possible!! God does not do anything without a purpose or reason and even though we can not see that and we may never see that while we are here on earth there is a purpose. It is hard for me to understand that and I know that it is for the family and friends as well, but God still remains good even through this.

“ Cameron was such a bright student with a heart of gold. He would come to my room everyday after school to help me in my classroom. He told me that when he grew up he wanted to be a Pro bullrider. I hope God has bulls in Heaven. Even though Cameron was only here for a short time he will live forever in our hearts. I pray that God will give the family strength and peace during their time of sorrow.

“ To all of Cameron's family, We loved Cameron so much at FBCD children's church. He always brought such a wonderful sweet smile and quick wit that always kept us going. I will never look at the seats that Kara and Cameron occupied without thinking of them and how much love they brought us in their short lives. My heart goes out to all of the family and especially to Joe, Layne, and Kealy who I know will miss them greatly. I pray that God will bless you all with the comfort and peace that only He can bring, and please know how very much they were loved and will be missed.
