Cari Lynn Hoke Nicholson Cari Lynn Hoke Nicholson passed away at her home in Huntsville on May 13, 2005 after a long and courageous battle with cancer. She was born August 16, 1967 in Huntsville to Bobby and Martha Hoke. She is survived by her son Ben Nicholson, daughter Megan Nicholson, sisters Linette Morrison and husband Tony, Susan Gunnels and husband Clint, parents Bobby and Martha and numerous aunts, uncles, cousins, nieces and nephews. Cari was member and had attended Calvary Baptist Church since early childhood. Her church family was very special to her and she appreciated the many kindnesses they showed to her. After graduating from Huntsville High School she attended Sam Houston State University. Cari earned her nursing degree from Navarra College and later earned a massage therapist license. Cari worked for five years at Family Medical Center for Dr. Knuth and Dr. Tremor. Cari then went to work at Huntsville Home Health and Thee Hospice. She was a hospice nurse when her health limited her to part time and she worked in the office as long as possible. She loved and was thankful for the many friends and co-workers that she had at Thee Hospice. A memorial service will be held Sunday at 5:00 in the Chapel of Sam Houston Memorial Funeral Home. Memorial donations may be made to Home Health Care of Huntsville and Thee Hospice.

“ Cari, even in the middle of her pain and suffering, always had a smile for her "Cuz". She brightened my day just by walking into the room. And Cari touched more lives than we will ever know. I will miss her dearly... this world is a better place because we were blessed to have known her. My love to my family during this time of need. You are all in my prayers and in my heart. Terri

“ Cari was a very Special friend in high school. She was a beautiful person and made sure everyone was taken care of through out the years. I lost contact with Cari when I moved from Huntsville and at the moment it hurts. But I know deep in my heart that Cari is in a better place now. Growing up with her I know she would want everyone to carry on with a smile on their face. As she did through out her life. My thoughts and prayers are with each and everyone of you. Love, Shannon

“ There are people you meet in life who just touch your heart; Cari was one of those people to me. I've only ever met one other person who had as much courage as Cari did. I'm so very sorry for your loss...our loss. My prayers and love are with you. Cari will live on through all the lives she has touched. I can still see her beautiful smile. With love and sympathy...Carla

“ Cari was a very special person. I didn't know her really well. She always had a smile on her face, even during the hard times in her life. I knew that even when I felt bad going into Dr. Knuth's office, that smile just seemed to melt away any problems that you were having. Love, Charlotte
