“ Bob and family, I am so sorry to hear that you have lost Carlene. We lost Mom in 2003 and Dad last year. We always thought a lot of you and,unfortunately,did not get to know Carlene and your sons as well since our families took different paths. Your name would come up occasionally as we all reminisced about the past. Life goes on even after our losses until someday we will all be reunited. God's blessings to you, your sons and the rest of the family.

“ Bob, I am so sorry to hear of the passing of Carlene. I only found out today as we don't take the Huntsville Item I remember all the years that we had played cards and her always fixing my hair. She was one of a kind and I will miss knowing that I will not see her again. She is with Charles and Barbara and I'm sure having a family reunion. She is now with the angels to watch over her family. God bless her and your family at your loss.

I am so sorry to hear about the passing of Carlene. May the peace of God comfort you during this difficult time. You are in our thoughts and prayers, and "Thank You" for the positive investment you made in my life as a young girl through softball. I'm grateful and I thank you Uncle Bob and Aunt Carlene for your investment of time, your caring ways, and your sacrificenothing but good memories of a loving woman, and a great family!

“ I am so sorry to hear of Carlene's passing. I pray that God will wrap his arms around your family and give you comfort.

I graduated from high school with Barbara her sister and came down to Huntsville for her funeral. I had an opportunity to visit with Carlene that day and appreciated her beautiful spirit. She had a way of lifting you up with her smile and personality. She will be missed by all.

“ Another member of the HHS Class of '66 has gone to Heaven ahead of the rest of us. My earliest memory of Carlene was her pulling the sashes off of my dresses in the second grade. My mother would sew them back on and she'd do it again and again. We played softball together on the "Sparkettes" and I have such fond memories of Carlene all through school. I also worked with her at TDCJ. I know your hearts are broken but God can help get you through this difficult time.

“ I was so sorry to hear of your loss. I met Carlene when we were about 9 years old when she played softball for the Red Horses and I played for the Bluebirds. Carlene played with such passion for the game that continued with her boys and grandchildren. She fought her illness and has finally found peace. We will all miss her deeply.
