“ *My Carlos was the first person I would see when I got to work and the last person I saw when I left home. He definitely was the light of Sundale. He had a big energy that radiated out of him and made everyone feel loved and just extra special. It was an honor to be able to spend time with him and hear those amazing stories he would share with me in my office. I will have the most amazing memories of him going to lunch with us. I will forever miss him and I know everyone’s heart here at Sundale is broken and missing him everyday. Sending prayers to his family and son Chris. He would talk about you all the time and his eyes would light up when he spoke about you and Mary. He loved you very much Chris and how lucky you were to have a father as sweet as him.- Sarah*
