You are invited to leave a written condolence to the family on our website at [www.shmfh.com](http://www.shmfh.com). To honor the memory of Carly and have her loving spirit help other teens in need, our families have decided to contribute to the creation of the "Carly Room" through HizKidz Ministries. Through this ministry funds are directed to the Montgomery County Youth Services program. These funds will be used to decorate a room in the shelter. The room is remade into a comfortable, spirit and love filled room for these teens to feel at home. Here they will begin the journey to get their lives back on track. As a family we know in our hearts that Carly would be excited about this project. You may go to [hizkidz.shutterfly.com](http://hizkidz.shutterfly.com) to view some of the makeovers and read about the ministry. Donations must be made to

Montgomery County Youth Services with a notation in the memo area stating “Shelter decorating fund—Carly Room”. IT IS IMPORTANT that this memo be ON your check. We so much appreciate your desire to honor Carly and her life and to help the youth of our community. May God Bless you all. “ *So sorry to hear of the loss of your daughter. I can't imagine how difficult that must be. Death is such a horrible thing to deal with, that is why it is referred to in the bible as an enemy, 1 Cor. 15:26. Something God did not want for his people, but he gives us a hope of a resurrection where we will see our loved ones again, John 5:28,29. May you hold on to that hope and also find comfort from you family and friends.*

“ To the McCulloch Family...I was a neighbor across the street about 11 or 12 years ago...I now have an aunt and uncle living there...I remember little Carly as a CUUUUTE little 5, 6 year old...front teeth missing little girl. Always full of giggles and smiles. Beautiful family. The years have passed...and I still felt a weird feeling in the pit of my stomach when my mom told me over the phone. We may not know they why's...but God is holding little Carly in his arms tonight...safe and sound. She is now watching over you. God Bless -- Amanda Young

“ My love and prayers to you all. I still can't believe the news. I know that she will never really be gone with all of the memories we have of her. I will help keep her alive in spirit by always remembering little "Carly-Cakes": the 3 year old little girl playing hair salon in the bathtub, sneaking makeup out of my purse and hiding in the closet to put it on, hide and seek every night before bed, dancing to "red red wine" in her pajamas, care free, all giggles and smiles- she had a beautiful life. May God bring peace to you in this difficult time. All my love, Kim

“ Although I didn't get to meet Carly, i'm sure we have seen each other before. This town is too small, not to mention i'm sure we crossed paths at school. She is a very beautiful girl, nothing can ever prepare you for something this tragic. No words or actions can make it better. I will still try words, Carly you will be missed by everyone including the one's you never had a chance to meet. To Carly's family & friends you are in my prayers! RIP GIRL!

“ This is a complete and total shock, I am disbelief. Carly shortly dated my brother a few years back, she stayed out at our house almost every night. Even though their relationship did not work out, Carly and I stayed close as friends. She is such a sweet, caring, outgoing young woman, and will dearly be missed. All who knew her have lost someone truly special. My prayers are with the family. Carly, may you rest in peace angel.
