“ At times like this we all look for comfort and hope. God's Word the Holy Bible provides us with both. Please note the words of comfort spoken by our Lord Jesus to Martha, who just lost her brother, in John 11:23-25, "Your brother will rise, I am the resurrection and the life, he that exercises faith in me even though he dies will come to life." Notice also the hope we have in John 5:28,29, do not marvel at this, because the hour is coming in which all those in the memorial tombs will hear his voice and come out....to a resurrection of life."

“ Alex & family, I am so sorry for your loss. I know that Carol had give it her all and like my husband, we thought things were going good. We just don't have the answers, only God knows why they had to have this old Cancer. I just pray that you and the family will find peace and that things will be o.k. with you. I am still having a tough time, but they tell me that time will help some. I know you will miss Carol as I miss my Leroy. God be with you and yours, Wynell Willis

“ Alex, Matt, Evan & Maria, I am here for you. Carol was a wonderful person who had to go through a lot in her life but she could always find the bright side. I know she loved you very much - or she wouldn't have moved from Kansas to Texas - so far from her two loving sisters. We missed her a lot these past years but we always had love. We love you too.
