

Carol Bishop

October 9, 1953 - February 2, 2022

Carol Sue "Susie" Bishop passed away peacefully at her home in Huntsville, Texas on February 2, 2022. Susie had been in declining health for several years. Even through all of her illnesses, she remained sweet and loving. Her main complaint was that she was sick and tired of being sick and tired. Susie was born in Houston, Texas on October 9, 1953 and grew up in Pasadena. She graduated from Deer Park High and then attended San Jacinto Jr. College. She married Larry Bishop on May 19, 1973 and they lived in Pasadena, the Austin area and eventually moved to Huntsville. Susie loved sewing, embroidery, cross stitch, and taking care of her house plants. She enjoyed all types of music, especially singing in the choir and playing hand bells at BUMC. Susie worked for the City of Buda and retired from the library there.

Susie is survived by her husband Larry Bishop of Huntsville, TX; daughter Andrea Bishop of Conroe, TX; sister-in-law Beverly Bishop; nephew Chad Lindsey and wife Lauren and grand-nieces LaNora and Declyn Lindsey of Willis, TX.

She is preceded in death by her parents Tom and Betty Damon and in-laws Leonard and Reva Bishop.

Larry and family. This is Linda Werkman (formerly Mikulastik) now living in New Braunfels. So sorry for your loss. I loved being in the company of Susie. A joy to recall memories of BUMC in the little chapel services. Women's retreats, potluck dinners, holiday seasons marking the years. Susie was the very definition of a "salt of the 🌍 earth individual. " Always there to help and enjoy the company of others. I am so glad to have known her. She is restored to perfect health, with our Lord.....Jesus.

“*Susie was a classmate at Deer Park. We had so many fun times during and after school. She came from two of the sweetest people I know, Big Momma and Big Daddy. We kept in touch after I moved to Ohio with many conversations about school, life and kids. We had so many things in common and so many laughs. My heart hurts for Larry and Andrea and for all of her friends who loved her so much. Rest In Peace my sweet friend and know that you're always on my mind.*

“ Susie and I grew up in Deepwater in Pasadena and became best friends when we were 15. Our friendship was so precious to me and will last into eternity. I have so many memories - camping with Susie, Big Mom and Big Dad, Wimberley Market Days, Herbert's Taco Hut with her and Larry, Garner State Park, being maid of honor in their wedding, Andrea's birth, my wedding, 20th HS reunion, etc. I was blessed to have her for so long. We were born 3 days apart and I always kidded her about being older. My sweet forever friend. I miss you already but I know I'll see you again. Much love to Larry, Andrea and family
