“ *Carolyn and I both graduated in 1960 and when I visited her she always wanted me to tell her what all of her friends were doing, where they lived, their children, etc. She never lost her interest in our class and our friends. Heaven will have a sweet, sweet angel there as Carolyn always had a sweet smile on her face every visit. I will miss our visits and our talks.*

“ *From one who graduated in 1960 with Carolyn, please except my deepest regrets and a prayer for the peace and comfort of our God, who gives us the peace that passeth all understanding in our hearts at this time. God Bless all of you.*

“ *My prayers and thoughts are with the Allen family. I did not know Carolyn, I graduated in 1958, but it is sad to lose any school mate.*

*May the Lord bless and keep you in your time of sorrow. He will give you strength.*
