“ *I did not know Carolyn personally, but I have known her son Michael for a very long time. He and I have been friends and co-workers and if Carolyn is anything like Michael, then I know she was an exceptional person. Michael is very caring, loving, and cares for his family deeply. Michael, my heart goes out to you and all your family. Love to all.*

“ I wanted to let all of Carolyn's family know what a great gal she was! She loved all of you so much and talked about each one of you with so much pride. I became friends with her on My Space and we got to know each other pretty good on there. I sure do miss her, as I know you all do, and I am sure she is looking down on us from Heaven. Treasure all your memories of her, as I will. She was a wonderful person to call friend, and I will never forget her. I was heart broken when I heard the news about her, because she was like a sister to me. I pray that the Lord will surround each one of you with love and peace and comfort.

Love to each one of you,
Barbara

“ To Carolyn's family,
You all are the LOVE of Carolyn's life and I know she's looking down from above with loving and caring arms keeping a watchful eye.

I've known Carolyn for many years through her years of service. I've always found her to have a smile on her face and BIG HUG waiting for me. What a good friend and GREAT conversationist! We had many good laughs together. We will ALL miss her. My condolences to the family.

Sincerely,
Jenny Marcotte

“ Ronnie- Our hearts are with you-Jarrell is in Iraq, but I let him know about Carolyn tonight. We are both so very sorry for your loss.
Mike- Your Mom was "the greatest". Whenever I would run into her in Huntsville, she had a hug and huge smile for me; I guess you might say "once family, always family"-no matter how distant "the family" may be. I know she loved her kids with all she had and was always there for you, no matter what. My heart goes out to you.
Lucas- My grandchild, your grandma Carolyn loved you so much. We were both there when you were borned, right in the delivery room! It was a "great" and exciting day for us both. Her sense of humor was divine-I hope you have that trait of hers, and all her other wonderful qualities. She was truly an unforgettable person. I know she will be missed in your family more than you can realize now. God has 'big' plans for her I'm sure. You ARE ALL in our hearts and prayers. Nina & PawPaw

“ I also met Carolyn on my space and she was one of my dearest friends. She always left me the sweetest comments. She loved her husband, family, her puppies and life so much. Her presence will be deeply missed. I am sad that we never met, we had planned on meeting in San Antonio some day for lunch. Carolyn was looking forward to her trip to Port A with her husband and got so excited everytime she talked about him and how such a hard worker he was.

I want you ALL to know that i love your mother with all my heart, she will always be a part of me.

She is now in GOD'S hands, rest in peace my dear friend. May your family have some peace knowing how much your mom was loved.

Blessing to all of you,
