“ Dear Warren and family,

I am so sorry for your loss. It was a priviledge to take care of Carolyn. The SLEH The Woodlands staff became very attached to Carolyn and her family. Carolyn was blessed to have such a loving and devoted husband and family. God Bless you.

“ May you find comfort in the memories that are yours to cherish always, and strength in the companionship of those who share your loss.... I have learned never to underestimate the healing power we all have. It is always there to be used for the highest good. Blessed are those who mourn, for they shall be comforted. (Matthew 5:4) May it be a source of inner strength to know that there's a loving God watching over you, and that, throughout this time of need, He'll stay close by your side. All those sleeping in their graves will wake up and sing for joy. As the sparkling dew refreshes the earth, so the Lord will revive those who have long been dead."-Isa. 26:19.

“ Dear Family of Carolyn,

For my greedy self I am so sad to see Carolyn leave us. For Carolyn, I am glad for she is with Jesus and can receive no better care. She is young and beautiful and healthy again. I think of her this way now. I will always love Carolyn for she was so sweet and kind to everyone she knew.

I will keep all of you in my prayers. God Bless you.
