“ *Thanks to everyone who knew and loved my Mom. Each and every experience that she had with you made her life joyous and wonderful-which in turn made her the great person I had the privelage to share my life with. She would tell you to rejoice and not be sad about her passing; for if you are reading this, you too will have to travel the same wonderful journey to that house not made with hands-eternal in the heavens. We shall see and laugh with her again. She would also tell us to have faith and love one another. She is with family and Our Father. Rejoice His Glory!*
