“ *My deepest sympathy to Sue's loving family. All three of my children went to Ponderosa Elementary, so we well know her dedication and competence. Sue was a true advocate for her students, her faculty and her staff. She was a wise and kind administrator. She was a gift to the little Ponderosa community.*

*You are and will be in my thoughts and prayers.

“ *I am sorry to learn of Sue's passing from the paper. In the summer of 1987, Sue hired me as a fourth grade teacher at Ponderosa Elementary. I was a recent college graduate and enjoyed my teaching experience working for Sue. She was a dedicated professional and educator. I am glad I had the opportunity to know her and work with her. May God comfort you in the weeks to come.

“ I am so sorry to hear that Sue passed away. She hired me to teach at Ponderosa many years ago. I had great respect for her as a leader and principal. She offered me opportunity to become a better teacher, gave me great advice in managing a large classroom and was always open to my "creative" ideas. She will be missed.
